May 15, 2020

Dear TTK Families,

We hope our entire TTK community is keeping well.

With today's announcement from the Provincial Government regarding the voluntary return to in-class instruction for students in B.C. we understand your current child care needs may change. TTK intends to continue providing quality child care to families that need it.

Next week, you will receive an email from us outlining our intended plan for delivery of care with schools reopened. Before the end of May, we will also be providing information on how our Summer Adventures 2020 programs will operate.

For those that are interested, please see the updated Health and Safety Guidelines for Child Care Settings released by the Provincial Government today.

We are still operating during this crisis for parents/guardians working in essential services to ensure their children are in a comfortable space. Below is a registration link for families who require care. This link is also available at [www.ttk.org/covid-19](http://www.ttk.org/covid-19). To find out more about what we have been up to during this time, please visit our social media channels at [TTK Twitter](#), [TTK Instagram](#) and [TTK Facebook Page](#).

Registration Form: [Registration Form](#)

We want to once again thank you all for your continued support, please stay safe!
