Drop-In Families:

Please note that drop-in care is available space permitting. Families requiring drop-in care must contact the office prior to dropping off their child to ensure a space is available.

PLEASE NOTE:

- ❖ Full-Time registration takes precedence over permanent part-time, part-time or drop-in registration. If a centre operating at full capacity with combination of full-time and part-time participants requires the space for a new full-time participant the following will happen:
 - a) The staff will review the current registration list to determine the last part-time or drop-in participant registered;
 - b) The family will be contacted and given the opportunity to move to a full-time space; **or**
 - c) If the family chooses to not take the full-time space, they will be given one month's notice.

Withdrawal information:

- ❖ **ONE MONTH'S** written notice or **PAYMENT** in lieu of notice is required to withdraw your child from the centre to change from full-time to part-time care, to change part-time days, or to change to drop-in care. Notice is accepted on the 1st of the month.
- ❖ Vacancies which occur after April 1st, are difficult to fill. The fees for May/June will be required if we receive written notice after April 1st of the school year.
- ❖ To secure a child's space for the coming school year the June payment is required.
- ❖ Notice for September must be received no later than August 1st or the September fee will be processed.

Payment information:

- ❖ Families have the option of paying by debit or credit card.
- ❖ If a child is unable to attend the centre due to illness or holidays families are still responsible for the full payment of agreed fees for the month
- ❖ Families with fees outstanding for 45 days or more will be asked to withdraw their child until their account is current.
- ❖ All declined payments (Visa/MasterCard/pre-authorized debit) are subject to a \$40.00 fee.
- ❖ The Affordable Child Care Benefit through the provincial government is available for low income families to meet the costs of child care. A parent or guardian who qualifies for the benefit pays the difference between the benefit amount and our fee. It is the parent's responsibility to apply for the Affordable Child Care Benefit. Parents are also responsible for keeping their benefit current and for the full fee if their benefit expires. Benefits received 3 months after attendance date (for example, received in December for September) will be subject to a \$100.00 processing fee, per child. Benefits approved for the previous year, after the year has ended (December 31st) will not be processed (for example, a benefit approved for September 2022 in February 2023 would not be processed). TTK is not responsible for applying for the ACCB on behalf of families, checking the progress of pending applications, nor reminding families of lapsed ACCB benefits.

Late Charges:

- ❖ Our centres close at 6:00 pm daily. Parents/Guardians picking up their child will be charged \$10.00 for every 15-minute block after 6:00 pm. The late fee is not prorated and must be paid prior to a child returning. Repeat offenders will be asked to withdraw their child from the centre.

Health Closure Information:

- ❖ If School Districts deem it necessary to close schools due to health concerns, such as COVID-19 it may necessary for TTK to close as well. Please note, it is always our intention to provide child care for families that need it. If this situation were to arise, we will notify families as soon as possible and follow up with further information as it becomes available.
